Dear Mr. Konkell:

32131 LEGAL MAIL

After careful review, we have decided that registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that B.S.A. membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the B.S.A. seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a B.S.A. member should be granted. The procedures for a review of this decision are attached.

Sincerely yours,

Earl Crittenden
President

Signed letter sent to Konkell.
